

***State of Washington  
Department of Transportation  
Notice to Consultants  
Runway, Taxiway, and Ramp Pavement Overlays***

Washington State Department of Transportation (WSDOT) Aviation solicits interest from consultants interested in submitting a Statement of Qualifications (SOQ) to conduct engineering design and construction oversight services to overlay runways, taxiways, and ramps at Sanderson Field (Shelton), Anderson Field (Brewster), and Grand Coulee Dam (Electric City) airports. Services are expected to be completed by September 2005. The Project is anticipated to be funded in part by the Federal Aviation Administration (FAA) Airport Improvement Program and WSDOT. WSDOT may award a minimum of one (1) or more agreements. Consultant services will be done in accordance with State Law and AC150/5100-14C "Architectural, Engineering, and Planning Consultant Services for Airport Grant Projects."
